StoresOnline is concerned about your privacy. StoresOnline recognizes privacy is of utmost importance and therefore has designed a comprehensive Privacy Policy to ensure whatever information is provided by you is kept secure and confidential. Any personal data entered and stored by StoresOnline is kept on a secure server, protected by the latest software and hardware components. StoresOnline takes reasonable steps to ensure that your information is accurate, complete, and current, but we depend on our users and customers to update or correct personal information whenever necessary. Further, StoresOnline only shares information with other trusted advertisers and third party marketers with a similar commitment to privacy. As a result, you can receive

information on additional products, services and offers that may be of interest to you with the assurance that your information is secure. If you have provided to us financial data, we, these trusted advertisers, and third party marketers may use this financial data for additional purchases. For more information about our commitment to privacy please contact customer service. If you desire StoresOnline not to provide your information to these trusted third parties please e-mail us at privacy@myquickresponse.com.

We may share anonymous, aggregated information about all our users with third parties.

Communications with StoresOnline

StoresOnline may periodically conduct individual voluntary customer surveys. We encourage our customers to participate in these surveys because they provide us with important information that helps us to improve the types of services we offer, and how we provide them to you.

How is Personal Information Used?

StoresOnline and participating vendors (unless you have requested to not have this information shared or receive such information) may use and share personal information in different ways, such as:

- To provide information as is necessary to fulfill the fundamental purpose of our products and services;
- To provide information to parties we believe can provide services that would be beneficial in support of your business.
- To identify users of StoresOnline products and services that may be interested in offers of goods and services that are suited to their needs and interests, both from StoresOnline and from other parties;
- In response to a lawful request issued by a court, government agency, or regulatory authority with jurisdiction to make the request or to otherwise comply with legal requirements;
- To companies that work for StoresOnline or others providing services through this Site, such as fulfillment printers or delivery companies. These companies are required to keep the information provided to them confidential.

How is My Information Protected?

We use the latest technologies to secure your transactions. We use highest industry standard encryption to protect financial transactions.

What if I Have a Question or Problem?

StoresOnline is committed to preserving the privacy of our customers. We have described the manner in which we collect and use personal information. We have provided you with a choice regarding our use of personal information. In the event you have concerns or questions regarding our use of personal information, or this policy, or if you have any problems arising out of performance pursuant to this policy, it should be directed to privacy@myquickresponse.com.

How to Update or Delete Your Information

If you want to request that we update or delete your personal information in regard to StoresOnline products and services, you can send them to privacy@myquickresponse.com, **Subject: Change/Modify.**
